

Kohler and then justice to American Judaism, will give this matter attentive consideration.

We call upon men like Alfred Mack and Alfred M. Cohen, sterling American Jews who have long since proven their integrity and worth—we call upon them and others whom they know, to give Dr. Kohler his reward, and to place at the head of the college the one man in America who is able with a greater degree of assurance, to occupy the place to be left vacant by him.

GEORGE FOX.

PROF. SOLOMON FREEHOF'S TRIUMPHANT TOUR.

Prof. Solomon Freehof is on a tour of the Southwest, delivering lectures on the Jewish "Prayer Book." He has had great audiences, and has been wonderfully successful in presenting his message. Reform and Orthodox alike have come to hear him, and the College has helped itself by sending him out.

His presence in this part of the country prompts us to suggest that the College would do well to send him or some other one or two members of its faculty for an extension course during the summer months. We believe that a fairly large number of rabbis would be glad to meet with members of the faculty for a six-week summer school period. A time could be mutually agreed upon, and a helpful conference of education and training could be held. The place or the locality could be worked out later—why not try to work out the suggestion of a six week's course to the men who feel that they would like to take advantage of the learning and instruction of the College Faculty!

JUGOSLAVIA BEGINS EXECUTION OF MINORITY RIGHTS

This is the first step in the execution of the peace treaty clause finance special Jewish schools.
